## I INTRODUCTON & ADMISSION BY USAG WILLIAM BARR ON SUSPENSION OF RULE OF LAW BY LOCAL PROSECUTORS & UN SECURITY COUNCIL INTERVENTION?

1. **Walters V Saul USDC, EDC Civil #2:2019cv00238 ask if the United States government has lost control of Rule of Law & national sovereignity as a result of what the Honorabl United States Attorney General William Bar subsequently states is caused by local prosecutors refusing to enforce entire classes of law.**

2. **The question of UN Security Council direct military intervention in the United States becomes more apparent with beginnings of what may be a 2nd US Civil War and President Donald Trumps statements he may eventually involk the Alien & Sedition Act to restore Rule of Law as cited online:**

   **http://cwaltersgonefishing.net/hssecurity/civilwar.htm**

3. **The suspension of the Rule of Law & US Supreme Court precendent in Thersea Schiavo-Schindler, et al. v. Michael Schiavo and California's Patient Rights (1) on treatment for preexisting conditions are believed to have played a major role in deaths of 1.5 million person since 2014 (2) as cited in these Congressional Archives:**

## II CITATION OF LAWFUL AUTHORITY

1. Exhibit A (Appendix) Is Chris Walters Advanced Medical Authority.
2. Exhibit B (Appendix) Is California Nursing Home Rights which assures Chris Walters right and his medical provider to designate appropriate medical treatment.
3. Citation of Authority: United States Supreme Court precedent Thersea Schiavo-Schindler, et al. v. Michael Schiavo the patients and doctors instructions as the operation of fact and law.

3. Exhibit C: is an ongoing list of inappropriate and apparently unapproved medical treatment taking place at Ocean Pointe Health Care in Santa Monica, CA as Exhibit F on the Congressional Archive Document:

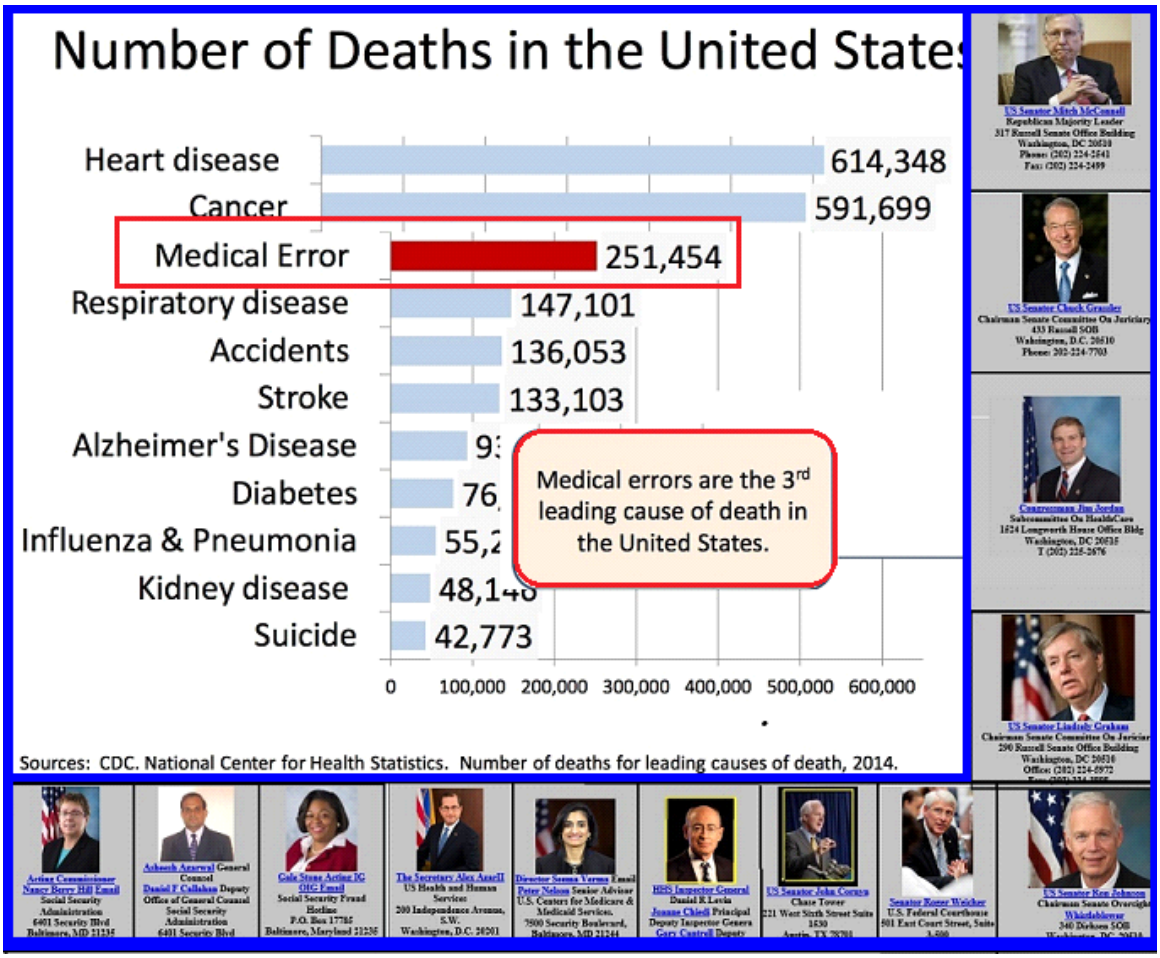
http://cwaltersgonefishing.net/ssi/zzzzpublicservice/index8.htm

4. Exhibit D The Social Security Administration has prevailed at law before the US Supreme Court and 4 US Circuit Courts of Appeals to block any changes in disability payments; case status or other unauthorized matters.

## III RECOMENDATIONS FOR ASSIGNMENT OF LEGITIMATE MILITARY TARGETS UNDER UN TERRORIST PROTOCOLS

Given the fact that the actions of the "Principals" are in violation of Standing ORDERS

of the US Supreme Court, 4 US Circuit Courts of Appeals; local and state elder abuse statutes and lack any legal standing to change; amend or modify medical treatment it is suggested the parties involved are legitimate military targets under UN Terrorist Protocols with an informal death toll of 1.5 million persons due to challenges to pre existing medical conditions.



## IV DISCUSSION ON THE MERIT BY MEDICAL PROVIDERS COMMITTING CLASSED BASE GENOCIDE TO BOOST MEDICAL PROFITS

http://cwaltersgonefishing.net/ssi/access/index.html

Cited in the Congressional records shows it took 10 doctors 5 years to remove a melonoma; 180 doctors trying to treat blood clot to discover existance of Xarelto; many doctors have dodged hip surgery since 2011; numerous doctors are paid to avoid removal of gall bladders. 500 doctors and medical providers later everyone gets paid but none of the ordinary medical work ever gets done.

## V NOTICE CHRIS WALTERS INTENDS TO MOVE FROM OCEAN POINTE HEALTH CARE 10/3/2020 & DISCHARGE OF MEDICAL PROVIDERS

**Given the inability of Jay Brady President Aspen Skilled Heatlh Com... to comply with simple medical instructions Chris Walters gives Notice of his intentions to move out of Ocean Pointe Health Care on or about 10/3/2020. Primary Care Physician Dr. Niceto Lopez and Urologist Dr Robert Bamshad MD are discharged from proving further medical services and the proposed surgery for kidney cancer is canceled pending other housing options.**

YOUR QUESTION IS PROHIBITED BY ORDER 9TH US CIRCUIT COURT OF APPEALS RECORDS IN QUESTION ARE PARTIALLY SEALED

Dear Friend:

Many thanks on your question relating to my social security, disability, medical, or housing and other matters which are currently between the 9th US Circuit Court of Appeals and the US Supreme Court or reserved to other parties.

Unfortunately the Courts require any discussions or questions to be filed with the Court in question; served on the US Legal Counsel; scheduled for hearings on merits as some of the materials have been sealed or restricted by ORDER of several US Circuit Courts of Appeals.

Many Thanks for your patience.

JUDGMENT

This appeal was considered on the record from the United States District Court for the District of Columbia and on the brief filed by appellant. See Fed. R. App. P. 34(a)(2); D.C. Cir. Rule 34(j). It is
